### 5. Resolution 3 – Approval to issue an additional 10% of the issued capital of the Company over a 12 month period pursuant to Listing Rule 7.1A

#### Introduction

Pursuant to Resolution 3, the Company is seeking shareholder approval to issue an additional 10% of issued capital over a 12 month period, pursuant to Listing Rule 7.1A. If passed, this resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**), each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or, if the Placement Securities are not issued within five trading days of that date, the date on which the Placement Securities are issued) (**Issue Price**).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A, small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting, are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the annual general meeting (**Additional 10% Placement**). The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without shareholder approval over a 12 month period pursuant to Listing Rule 7.1. The Company may issue the Placement Securities to raise funds for the Company and as non-cash consideration (further details of which are set out below).

Funds raised from the issue of Placement Securities, if undertaken, would be applied towards the costs of such placement, an acquisition of new assets or investments (including expenses or interest associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and general working capital.

The Directors of the Company unanimously recommend that shareholders vote in favour of Resolution 3.

### Listing Rule 7.1A

#### a) General

##### (1) Eligibility

An entity is eligible to undertake an Additional 10% Placement if at the time of its annual general meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index (**Eligible Entity**).

For illustrative purposes only, on 18 September 2019, the Company's market capitalisation was \$17,301,365 based on the closing trading price on that date. The calculation of market capitalisation will be based on the closing price of the shares, on the last trading day on which trades in the shares were recorded before the date of the AGM, multiplied by the number of shares on issue (excluding restricted securities and securities quoted on a deferred settlement basis).

The Company is also not included in the S&P/ASX300 Index as at the time of this AGM, however, it should be noted that the S&P/ASX300 Index is rebalanced twice a year in March and September.

The Company is therefore an Eligible Entity and able to undertake an Additional 10% Placement under Listing Rule 7.1A.

In the event that the Company for any reason ceases to be an Eligible Entity after the Company has already obtained shareholders' approval pursuant to this Resolution 3, the approval obtained will not lapse and the Company will still be entitled to issue the Placement Securities.

##### (2) Shareholder approval

The ability to issue the Placement Securities is conditional upon the Company obtaining shareholder approval by way of a Special Resolution at the meeting (which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the resolution).

#### b) 10% Placement Period - Listing Rule 7.1A.1

Assuming Resolution 3 is passed, shareholder approval of the Additional 10% Placement under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- (1) the date that is 12 months after the date of the AGM; or
- (2) (2) the date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX.

If approval is given for the issue of the Placement Securities then the approval will expire on 19 November 2020, unless shareholder approval is granted pursuant to Listing Rules 11.1.2 or 11.2 prior to that date.

## Explanatory memorandum continued

**c) Calculation for Additional 10% Placement - Listing Rule 7.1A.2**

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue, or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$(A \times D) - E$

Where:

**A** is the number of ordinary securities on issue 12 months before the date of issue or agreement:

- (1) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
- (2) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (3) plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under Listing Rules 7.1 or 7.4 (but note that this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without shareholder approval); and
- (4) less the number of fully paid ordinary securities cancelled in the 12 months.

**D** is 10 percent.

**E** is the number of Equity Securities issued, or agreed to be issued, under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

**d) Listing Rule 7.1A.3****(1) Equity Securities**

Any Equity Securities issued under the Additional 10% Placement must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice of Meeting, the Company has 1,153,424,340 quoted Shares on issue.

**(2) Minimum Issue Price**

The issue price for the Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (A) the date on which the price at which the relevant Placement Securities are to be issued is agreed; or
- (B) if the relevant Placement Securities are not issued within five trading days of the date in

paragraph (A) above, the date on which the relevant Placement Securities are issued.

**e) Information to be given to ASX - Listing Rule 7.1A.4**

If Resolution 4 is passed and the Company issues any Placement Securities under Listing Rule 7.1A, the Company will give to ASX:

- (1) a list of allottees of the Placement Securities and the number of Placement Securities allotted to each (this list will not be released to the market); and
- (2) the following information required by rule 3.10.5A, which will be released to the market on the date of issue:
  - (A) details of the dilution to the existing holders of ordinary securities caused by the issue;
  - (B) where the Equity Securities are issued for cash consideration, a statement of the reasons why the Company issued the Equity Securities as a placement under rule 7.1A and not as (or in addition to) a pro rata issue or other type of issue in which existing shareholders would have been eligible to participate;
  - (C) details of any underwriting arrangements, including any fees payable to the underwriter; and
  - (D) any other fees or costs incurred in connection with the issue.

**f) Listing Rules 7.1 and 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 1,153,424,340 Shares. Assuming that Resolution 3 is passed, the Company will have the capacity to issue the following (calculated as at the date of the Meeting):

- (1) 173,013,651 Equity Securities under Listing Rule 7.1; and
- (2) subject to shareholder approval being obtained under Resolution 3 – additional 115,342,434 under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described above).

### f) Listing Rules 7.1 and 7.1A continued

#### Specific Information required by Listing Rule 7.3A

##### a) Minimum Price of securities issued under Listing Rule 7.1A - Listing Rule 7.3A.1

Pursuant to, and in accordance with Listing Rule 7.1A.3, the Placement Securities issued pursuant to approval under Listing Rule 7.1A must have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 trading days immediately before:

- (1) the date on which the price at which the Placement Securities are to be issued is agreed; or
- (2) if the Placement Securities are not issued within five trading days of the date in paragraph (1) above, the date on which the Placement Securities are issued.

The minimum price cannot be determined at this stage, however the Company will disclose to the ASX the issue price on the date of issue of the Placement Securities.

##### b) Risk of economic and voting dilution - Listing Rule 7.3A.2

As provided by Listing Rule 7.3A.2, if Resolution 3 is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing shareholders. The Company currently has on issue 1,153,424,340 Shares. Assuming that Resolution 3 is passed, the Company could issue 115,342,434 Shares (calculated as at the date of the meeting) pursuant to Listing Rule 7.1A (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2, details of which are set out above). Any issue of Placement Securities will have a dilutive effect on existing shareholders.

In particular, in relation to the issue of any Placement Securities, there is a risk that:

- (1) the Market Price for the Company's Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the meeting; and
- (2) the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.2, Table 1 following shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled and the Market Price of the shares has halved. Table 1 also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the Market Price of the shares has:

- decreased by 50%; and
- increased by 100%.

Table 1 - Assumptions &amp; explanations

- The market price is \$0.015 based on the closing price of the shares on ASX on 18 September 2019.
- The above table only shows the dilutionary effect based on the issue of the Placement Securities (assuming only Shares are issued) and no shares are issued under the 15% placement capacity under Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The Company issues the maximum number of Placement Securities.
- The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 18 September 2019.
- The issue price of the Placement Securities used in the table is the same as the market price and does not take into account the discount to the market price (if any).
- The issued share capital (Variable A) shows the present issued share capital (assumes the full 15% placement capacity under listing rule 7.1 is available) and also shows additional scenarios in which the Issued share capital has increased (by both 50% and 100%) and the market price of the shares has decreased by 50% and increased by 100%.

## c) Final date for issue - Listing Rule 7.3A.3

As required by Listing Rule 7.3A.3, the Company will only issue and allot the Placement Securities during the 12 months after the date of this Meeting which the Company anticipates will end on 19 November 2020. The approval under Resolution 3 for the issue of the Placement Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities of the Company) or Listing Rule 11.2 (the disposal of the main undertaking of the Company) before the anniversary of the AGM.

## d) Purpose - Listing Rule 7.3A.4

As noted above, the purpose for which the Placement Securities may be issued includes to raise funds for the Company and as non-cash consideration (further details of which are set out below). Funds raised from the issue of Placement Securities, if undertaken, would be applied towards cost of the placement, an acquisition of new assets or investments (including expenses and interest associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and general working capital.

Explanatory memorandum continued

f) Listing Rules 7.1 and 7.1A continued

**Shares Issued for Non-cash consideration - Listing Rule 7.3A.4**

The Company may issue Placement Securities for non-cash consideration, such as the acquisition of assets or investments, payment of fees for the grant of options or the exercise of options over assets or investments or the payment of other expenses of the Company. If the Company issues Placement Securities for non-cash consideration, the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the Placement Securities complies with Listing Rule 7.1A.3.

**e) Company's Allocation Policy - Listing Rule 7.3A.5**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Placement Securities. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to a number of factors including, but not limited to, the following:

- (1) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which existing shareholders can participate;
- (2) the effect of the issue of the Placement Securities on the control of the Company;
- (3) the financial situation and solvency of the Company; and
- (4) advice from corporate, financial and broking advisers (if applicable).

The allottees of the Placement Securities have not been determined as at the date of this Notice but may include existing substantial shareholders and new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments for which Placement Securities are issued as consideration, it is likely that the allottees of some of the Placement Securities will be the vendors of the new assets or investments.

**f) Company has previously obtained shareholder approval under Listing Rule 7.1A – Listing Rule 7.3A.6**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2018 AGM. As the Company has previously obtained Shareholder approval under Listing Rule 7.1A, the following information is provided to Shareholders, in accordance with Listing Rule 7.3A.6, regarding the Equity Securities issued in the previous 12 months preceding the date of the AGM (that is, since 20 November 2018):

**Voting Exclusion Statement**

A voting exclusion statement is included in the Notice of Meeting. At the date of the Notice of Meeting, the proposed allottees of any Placement Securities are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of the Placement Securities), shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

## Proxy, representative and voting entitlement instructions

### Proxies and representatives

Shareholders are entitled to appoint a proxy to attend and vote on their behalf. Where a shareholder is entitled to cast two or more votes at the meeting, they may appoint two proxies. Where more than one proxy is appointed, each proxy may be appointed to represent a specific proportion or number of votes the shareholder may exercise. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes. The proxy may, but need not, be a shareholder of the Company.

Shareholders who are a body corporate are able to appoint representatives to attend and vote at the meeting under Section 250D of the *Corporations Act 2001* (Cth).

The proxy form must be signed by the shareholder or his/her attorney duly authorised in writing or, if the shareholder is a corporation, in a manner permitted by the *Corporations Act*.

The proxy form (and the power of attorney or other authority, if any, under which the proxy form is signed) or a copy or facsimile which appears on its face to be an authentic copy of the proxy form (and the power of attorney or other authority) must be received not less than 48 hours before the time for holding the meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.
